Strategic Pillars

Network Expansion

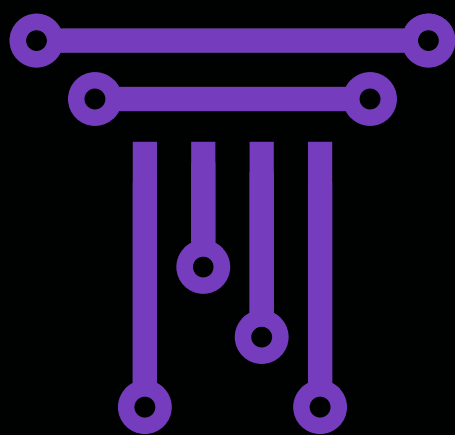

We Pave the Way. We consider more than the size of our footprint, stitching together the right data centers, PoPs, cable landing stations, and more to provide optimal diversity and keep you connected! We continue to invest, expanding with you and for you.

Technology Leadership

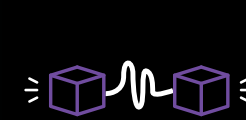

We Lead the Way. We believe in staying on the leading edge, pushing the industry forward to deliver enhanced capabilities and real business performance benefits. We've built a smarter, customer-driven network to deliver intelligence and performance how our customers need it.

Flexible Partnerships

We Make a Way. We achieve more for our customers by partnering with others at the top of their field. Being nimble, agile, and fast as a business unit differentiates Windstream Wholesale in a commodity-based business – delivering fast and flexible, customized solutions.

Intelligent Converged Optical Network

- Flexible Design Options
- Alien Wave Support
- Massive available capacity - C+L bands
- Rapid Fiber fault location via in-line OTDR
- Proactive and real-time network health management

ICON provides open and disaggregated networking infrastructure, enabling wholesale and enterprise technology customers to select unique custom routes, maintain operational insights with Windstream's Network Intelligence functions, and place their networks closer to the edge to better serve end-users.

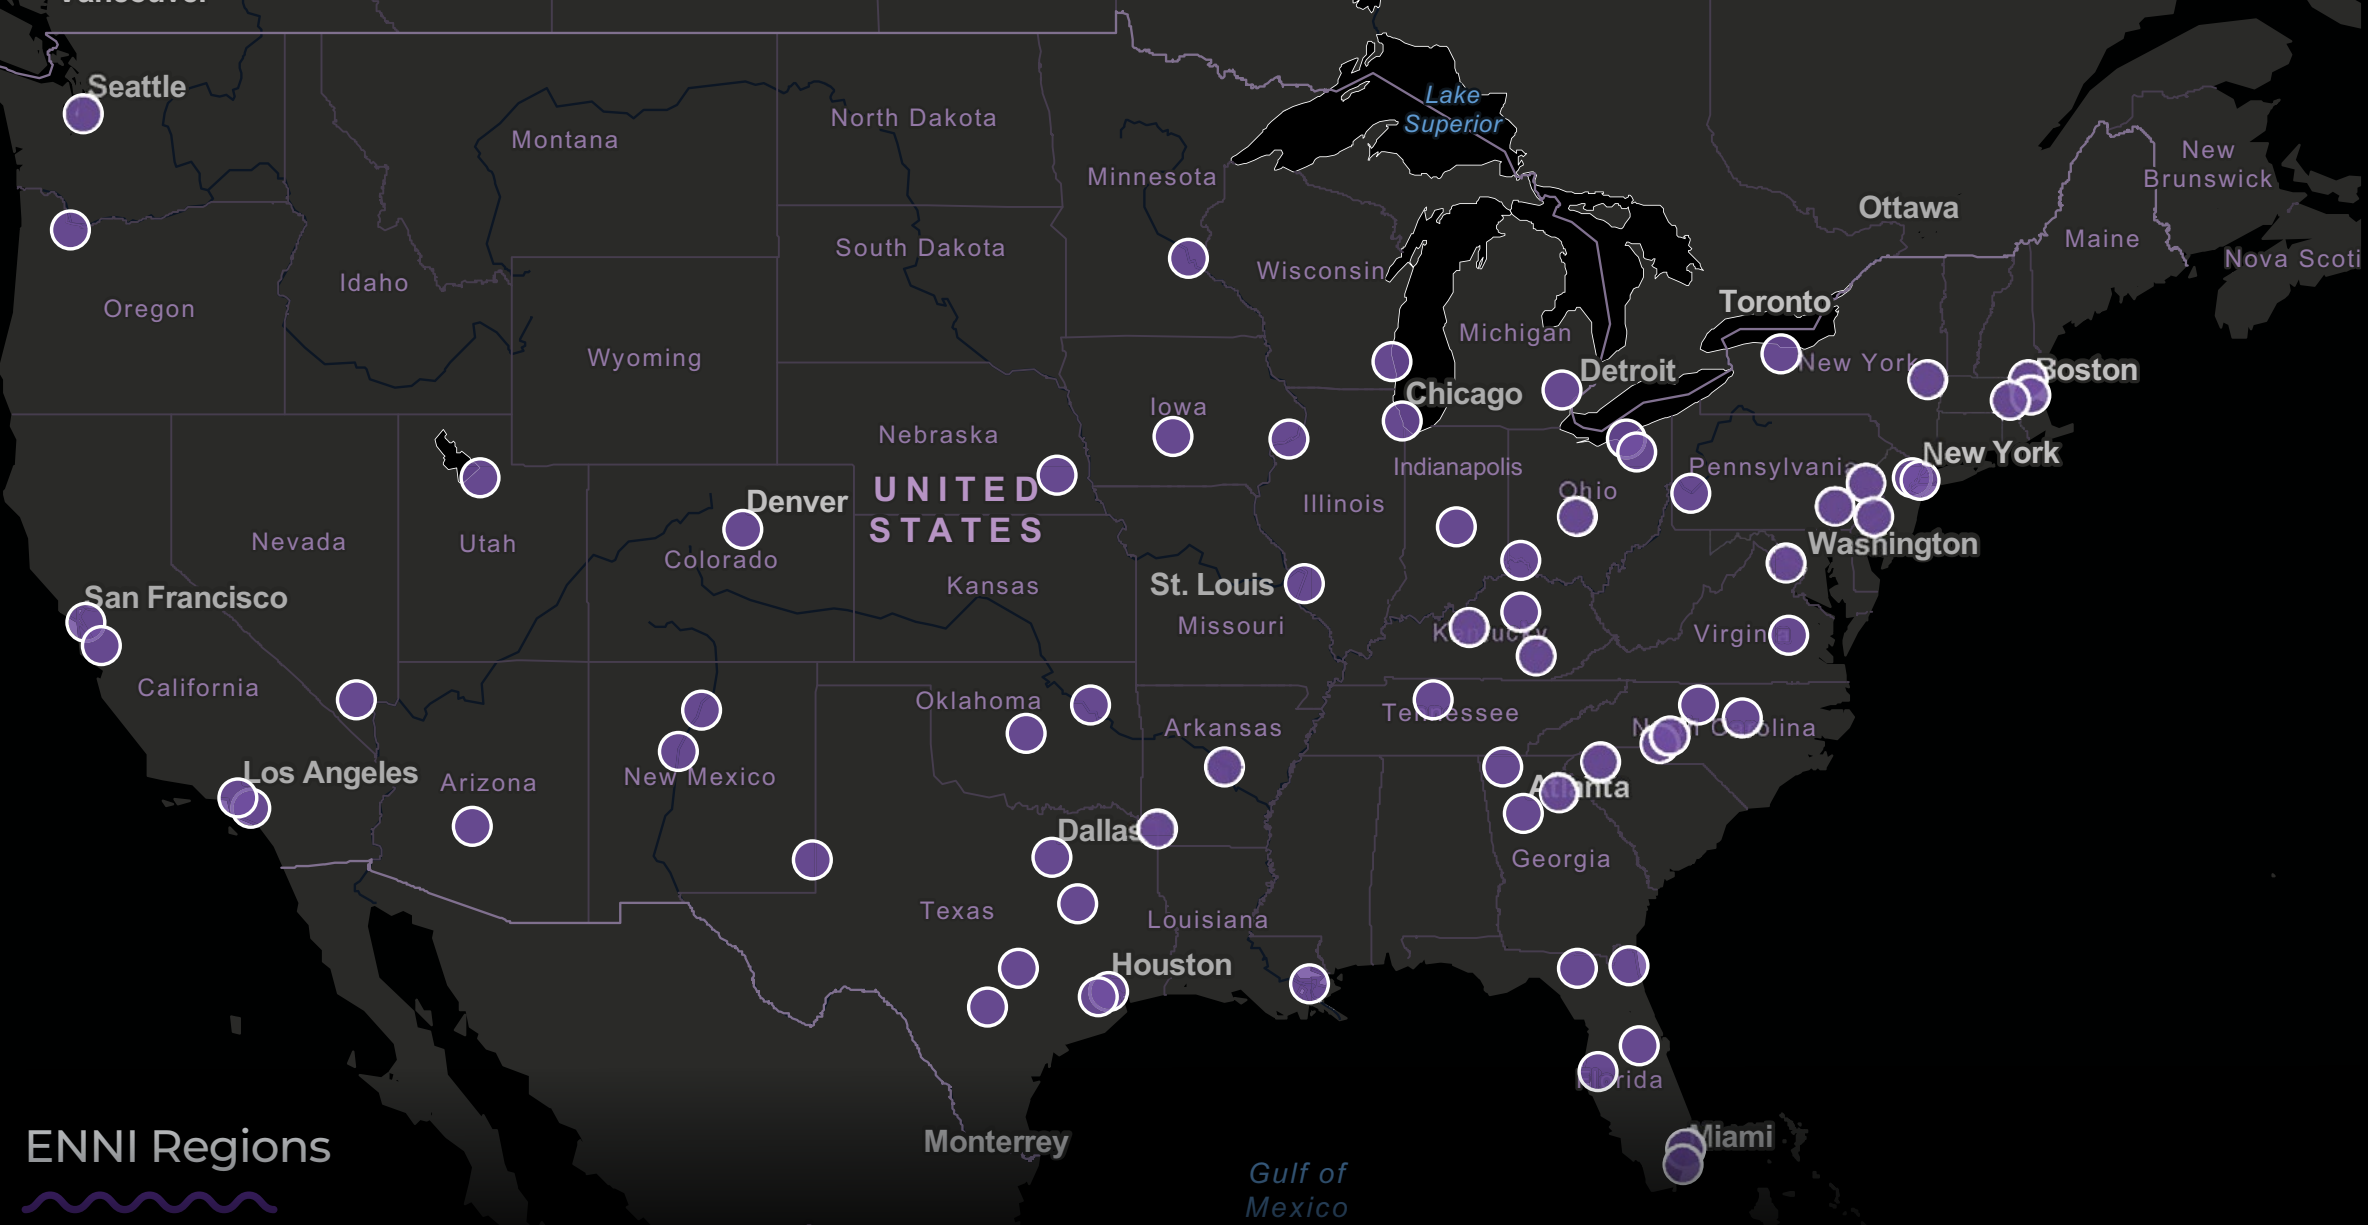

Ethernet

Nationwide, high-speed bandwidth for increased performance.

Windstream Wholesale's nationwide Ethernet footprint offers the high-speed bandwidths you need to support essential voice, video and data applications.

Our Ethernet services provide customers with secure, trustworthy connectivity via E-Access and E-Line Point-to-Point and Point-to-Multipoint network solutions - each designed to increase performance while expanding your market share and boosting your competitive advantage.
